

Auditor General

MANITOBA

SENIOR ADVISOR, PROJECT AUDITS

SF3

Regular/full-time

Office of the Auditor General

Advertisement Number: 43723

Salary(s): \$106,935 - \$131,124 per year

Closing Date: February 14, 2025

The **Office of the Auditor General (OAG)** is an independent office of the Legislative Assembly, established under The Auditor General Act. At the OAG, we provide independent information, advice and assurance on government operations and the management of public funds. Our work goes beyond the bottom line, as legislative auditors, we serve the Manitoba Legislative Assembly, and in turn, all Manitobans. We offer an exciting and rewarding work environment by providing challenging assignments, training and development opportunities, a comprehensive benefits package and a healthy work/life balance. A hybrid work environment, overtime as a rarity, flexible scheduling and the option of voluntary reduced work schedules are just a few of the ways the Office of the Auditor General commits to employee work/life balance.

Conditions of Employment:

- Must be legally entitled to work in Canada
- A satisfactory Criminal Record Check

Essential Qualifications:

- Professional designation (i.e. CPA, CIA, CISA, MPA) with a minimum of 5 years post designation work experience.
- Extensive experience leading a team of auditors in conducting audits that are non-financial statement audits such as performance audits, internal audits, forensic audits, and investigations.
- Strong project management skills with a history of delivering projects on time and within budget.
- Experience in team building and collaboration with a history of bringing stakeholders together to achieve common goals.
- Excellent communication skills to clearly articulate messaging to a variety of stakeholders.
- Ability to use critical thinking and professional judgement in delivering strongly supported and credible reports.
- Ability to work independently, exercise initiative, and escalate issues appropriately.
- Experience applying and monitoring audit methodology and professional standards in an audit team.

- Highly effective interpersonal skills with ability to establish, engage and maintain strong relationships with various stakeholders.
- Experience improving audit processes and procedures to enhance consistency and efficiency.

Desired Qualifications:

- Extensive knowledge of government, public sector management and external issues that may impact both.

Duties:

The Advisor is responsible for advising teams and executive sponsors on determining appropriate objectives and criteria for performance audits, preparing audit proposals, the quality of project audits, the appropriate application of the Office's audit methodology to these audits, and drafting the audit report. The Advisor advises on multiple project audits in various stages of completion.

The Advisor works with the Executive Leadership Group and audit teams to improve performance audit processes and procedures to enhance consistency and efficiency, while remaining in alignment with audit standards. This will include continual identification of improvements and developing procedures and aids (templates) that assist staff with conducting performance audits efficiently and effectively.
